6. Claims Procedure

6.1 Cashless Claims

- Call the dedicated senior-citizen claims helpline before a planned admission, or within 24 hours for an emergency.
- Present the SilverYears health card at a network hospital; the hospital submits the pre-authorisation request.
- The Company's medical team reviews and responds within 6 working hours, accounting for the 20% co-payment.
- On discharge, the hospital collects the co-payment share and non-payable items directly from the Insured; the balance is settled with the Company.

6.2 Reimbursement Claims

- Pay the bill in full and preserve all original documents, including discharge summary and investigation reports.
- Submit the claim within 30 days of discharge via the dedicated senior-citizen claim form.
- The Company settles the eligible amount, net of the 20% co-payment, generally within 20 working days.

6.3 Documents Required

- Duly completed senior-citizen claim form with attending doctor's certification.
- Original bills, payment receipts, discharge summary and diagnostic reports.
- Proof of age (for entry age verification) and policy schedule copy.

7. General Terms

7.1 Free-Look Period

A 15-day free-look period applies from receipt of the policy document. If cancelled within this period and no claim has been made, premium is refunded after deducting proportionate risk premium and the cost of the pre-policy medical check-up.

7.2 Renewal

Guaranteed lifelong renewal up to age 100, subject to timely premium payment. The Company may revise premium rates at renewal for the entire age band, with prior regulatory approval, but will not single out an individual policyholder for a rate increase based on claims history alone.

7.3 Grievance Redressal

A dedicated Senior Citizen Grievance Officer is available at each branch. Unresolved grievances after 15 working days may be escalated to the Insurance Ombudsman, or the IRDAI Grievance Call Centre.
