THIS IS A FICTIONAL SAMPLE POLICY DOCUMENT.
The company, plan, figures and clauses below are invented for demonstration, testing or training purposes and do not represent a real insurance product.

1. Definitions

The terms below carry the meanings set out here wherever they appear in this policy document, unless the context requires otherwise.

Term	Meaning
Sum Assured	The fixed lump sum payable on the first diagnosis of a listed critical illness.
Survival Period	The number of days (30 days under this plan) the Insured must survive after diagnosis for the claim to be payable.
Listed Illness	One of the critical illnesses named in the schedule of covered conditions (see Section 2).
Diagnosis	Confirmation of a listed illness by a registered specialist, supported by clinical, radiological, histological or laboratory tests.
Waiting Period	The 90-day period from policy inception during which a first diagnosis is not covered.
Policy Term	The period for which the Sum Assured is payable once, on first valid claim, after which cover for that illness ends.
Multi-Claim Benefit (add-on)	An optional benefit allowing claims for illnesses in different organ systems within the same policy term.
Nominee	The person named in the schedule to receive the benefit if the Insured is deceased at the time of payment.

2. Scope of Cover

CritiShield pays a fixed lump sum, unrelated to actual treatment cost, on the first diagnosis of any one of 24 listed critical illnesses, provided the Insured survives the 30-day survival period. This is a benefit plan, not an indemnity plan — no hospital bills need to be submitted for the core benefit.

Benefit	Coverage Details
Cancer of Specified Severity	100% of Sum Assured on histologically confirmed malignant tumour, excluding early-stage/in-situ cancers.
Myocardial Infarction	100% of Sum Assured on first heart attack meeting the defined diagnostic criteria.
Stroke Resulting in Permanent Symptoms	100% of Sum Assured where neurological deficit persists for at least 3 months.
Kidney Failure Requiring Dialysis	100% of Sum Assured on chronic, irreversible failure of both kidneys.
Major Organ Transplant	100% of Sum Assured as recipient of a heart, lung, liver, pancreas or bone-marrow transplant.
Coronary Artery Bypass Surgery	50% of Sum Assured (partial payout) for surgery to correct narrowing of coronary arteries.
Multi-Claim Benefit (add-on)	Allows one further claim for an unrelated listed illness in a different organ system.

3. Sum Insured Options & Indicative Annual Premium

Indicative annual premium (non-smoker), before tax, for a level term matching the policy year:

Sum Assured (Rs.)	Age 25-35	Age 36-45	Age 46-55
5,00,000	2,100	4,300	8,900
10,00,000	3,800	7,900	16,400
25,00,000	8,600	17,900	36,700

Premiums shown are indicative, exclusive of applicable taxes, and vary by age, declared medical history, add-ons selected and underwriting outcome.

4. Waiting Periods

Condition	Waiting Period
Initial waiting period (first diagnosis of any listed illness)	90 days from policy start
Survival period after valid diagnosis	30 days
Pre-existing critical illness declared at proposal	Not covered — permanently excluded for that illness
Illnesses related to a condition diagnosed in the waiting period	Excluded for the remainder of the policy term

5. Exclusions

5.1 Permanent Exclusions — not payable under any circumstances:

- Any illness diagnosed within the 90-day initial waiting period.
- Death occurring within the 30-day survival period following diagnosis.
- Critical illness caused by self-inflicted injury, alcohol or drug abuse.
- Congenital external conditions and illnesses arising from HIV/AIDS.
- Any claim where the diagnostic criteria in the policy schedule are not fully met.

5.2 Specific Exclusions applicable to this plan:

- Early-stage or in-situ cancers (Stage 0), and skin cancers other than malignant melanoma.
- Angioplasty or any procedure not meeting the definition of bypass surgery.
- Illnesses not appearing on the list of 24 covered conditions in the schedule.
- A second claim for the same organ system, unless the Multi-Claim add-on was purchased.

6. Claims Procedure

6.1 Cashless Claims

- Not applicable in the traditional sense — CritiShield is a benefit plan; no hospital cashless network is used for the core payout.
- For any hospitalisation incurred, the Insured may separately hold an indemnity policy for that purpose.
- This section instead describes the Fast-Track Payout process: the Insured or nominee submits the diagnosis report as soon as confirmed.
- On verification, Northfield disburses the lump sum directly to the Insured's registered bank account.

6.2 Reimbursement Claims

- Notify Northfield's claims desk within 30 days of first diagnosis of a listed illness.
- Submit the specialist's diagnosis report and supporting clinical evidence as listed in Section 6.3.
- Northfield's medical panel reviews the claim against the defined diagnostic criteria, typically within 10 working days.
- On approval, and once the 30-day survival period is satisfied, the full (or partial, for bypass surgery) Sum Assured is paid as a single lump sum.

6.3 Documents Required

- Duly filled critical illness claim form, signed by the Insured or nominee.
- Specialist's certificate confirming diagnosis, with supporting histology/radiology/lab reports.
- Government-issued photo ID and policy schedule copy.
- Bank account details (cancelled cheque or passbook copy) for payout.

7. General Terms

7.1 Free-Look Period

A 15-day free-look period applies from receipt of the policy document, allowing cancellation for a refund of premium less proportionate risk cover, provided no diagnosis has been made or claim filed.

7.2 Renewal

Renewable annually up to age 65, subject to no valid claim having exhausted the applicable benefit for all listed illnesses (or, if the Multi-Claim add-on was purchased, until both available claims are used).

7.3 Grievance Redressal

Grievances can be logged with Northfield's Grievance Redressal Cell via phone, email or the branch office. If unresolved within 15 working days, the policyholder may approach the Insurance Ombudsman.
