- Dependents beyond spouse and two children require the Master Policyholder's specific written consent to enrol.

6. Claims Procedure

6.1 Cashless Claims

- Member presents the CorporateCare e-card at a Bluepine network hospital and informs the HR/insurance desk contact if required.
- The hospital submits a pre-authorisation request through Bluepine's group claims portal, citing the Master Policyholder code.
- Approval, query or denial is typically issued within 3 working hours given pre-approved group terms.
- On discharge, the hospital settles directly with Bluepine; any amount beyond the grade-wise Sum Insured draws on the Corporate Buffer, subject to Master Policyholder sign-off.

6.2 Reimbursement Claims

- Member intimates the claim to Bluepine's group claims desk, copying the organisation's HR/benefits contact, within 48 hours of admission.
- Member pays the bill and retains original documents, including discharge summary and itemised invoice.
- Claim form and documents are submitted within 30 days of discharge, either directly or via the HR benefits portal.
- Bluepine settles the eligible amount, generally within 15 working days, crediting the member's registered bank account.

- Employee ID and dependent relationship proof, where applicable.

7. General Terms

7.1 Free-Look Period

Free-look provisions apply at the Master Policyholder level for the group contract (30 days from receipt of the policy document). Individual members do not have a separate free-look right, as enrolment is via the employer scheme.

7.2 Renewal

The group policy is renewed annually based on negotiated terms between Bluepine and the Master Policyholder, taking into account the group's claims ratio, headcount changes and any scheme modifications agreed for the coming year.

7.3 Grievance Redressal

Members may raise grievances through their organisation's HR/benefits desk, which coordinates with Bluepine's dedicated Corporate Grievance Cell. Unresolved matters after 15 working days may be escalated to the Insurance Ombudsman by the affected member.
