

Lumen Prairie Insurance

Health Insurance Policy Document

Lumen Prairie Insurance

Clear decisions, visible criteria, and useful digital tools.

Member promise: Members can view claim status, prior-authorization status, estimated cost, and appeal deadlines in one secure portal.

Coverage policy: A prior authorization request includes the clinical criteria used, the documents received, and the expected review timeframe.

Access standard: Standard authorization decisions are targeted within five business days after all required information is received.

Service commitment: A denial notice states the specific reason, relevant plan provision, reconsideration option, and independent review rights where applicable.

Policy governance

Member information is protected and used only for permitted care, payment, operations, and legal purposes. Members may request accessibility accommodations, a supervisor review, or an appeal of an adverse benefit decision. Coverage remains subject to the applicable plan certificate, exclusions, authorization rules, and governing law.
